Packets will be mailed the end of February to all lot owners of record; you should receive the white 9 x 12 envelope by March 1, 2011. Please keep and read the information contained in the packet carefully as it will include your bill and paperwork that needs to be filled out in full, along with your current proof of liability insurance on all recreational vehicles and returned to the Holiday Lake Office in order for your stickers to be sent to you or they may be picked up during normal business hours.

Payments for the 2011 fees can be made in advance.

Emergency Spillway

The emergency spillway area by the Dam located by the boat ramp at the beach needs to be lowered. Work will begin in the spring of 2011 and will take about four weeks to complete depending on the weather, during this time the road will be closed.

Reminder

All Land Craft must have an orange flag mounted on the craft, which extends not less than one foot above the highest point of the vehicle, including person(s) in/on the vehicle.

Address and phone numbers

Lot owners are responsible for notifying the Holiday Lake office when moving or buying additional property within the Holiday Lake Subdivision. Please contact the Holiday Lake office with phone numbers for yourself and emergency contact phone numbers.

911 Sign

The Poweshiek County Sheriff's Office has requested that all lot owners have a 911 sign. If you observe any suspicious or mischievous behavior within the Holiday Lake Subdivision, please contact the Poweshiek County Sheriff and your unit director, as soon as possible, to file a report.

Loose Dogs

Complaints continue to be received regarding loose dogs and one report of a dog attacking a person walking.

The following is the State of Iowa Code regarding dogs and how complaints should be handled.

351.26 RIGHT AND DUTY TO KILL UNTAGGED DOG.

It shall be lawful for any person, and the duty of all peace officers within their respective jurisdictions unless such jurisdiction shall have otherwise provided for the seizure and impoundment of dogs, to kill any dog for which a rabies vaccination tag is required, when the dog is not wearing a collar with rabies vaccination tag attached.

351.27 RIGHT TO KILL TAGGED DOG.

It shall be lawful for any person to kill a dog, wearing a collar with a rabies vaccination tag attached, when the dog is caught in the act of chasing, maiming, or killing any domestic animal or fowl, or when such dog is attacking or attempting to bite a person.

Brush and Cement Piles

Effective: September 15, 2010, all dumps will be temporarily closed until further notice. This is due to a complaint filed with the Department of Natural Resources (DNR) about the smoke; the DNR investigated the complaint and found railroad ties in with the brush. The Holiday Lake Board of Directors is working to find another area in which to place the brush pile. The following conditions would have to be met before this can be achieved. A tree burning site can be established provided that it is located at least one-quarter mile from inhabited buildings (unless a waiver is signed), that access to the site is controlled, that only trees and tree trimmings from local residences are burned, dry and wet trees would need to be separated and that burning is always supervised and performed expeditiously only when atmospheric conditions are favorable to prevent nuisance conditions.

Spring Clean-up Weekend

The Board is considering having a lake wide clean-up week during the spring of 2011. Details of what we will be able to collect and when the event will occur will be coming. The Clean-Up Weekend will be funded in part from the assessments collected for no flags, no stickers, or trespassing. However, there may be a small fee for appliances. Committee members are needed. Details will be posted on the website, at the Holiday Lake office and at the Dam events board as soon as they are available.

The Poker Run was held on Saturday, July 31, 2010. \$4,602.00 was raised; included in this total the following persons gave \$100.00, Audrey and Christine Brickman, Betty and Brian Erickson, Bob and Hazel Griffiths, Dennis and Charlotte Jones, Becky Kauffman and The Rigger. Thank you to Gene and Cindy Prusha who organized the event and everyone who participated and donated their time and talents to make it a fun safe event.

Thanks also go to Larry Ehrig and Duane Selken for their help when the fish arrived. Special thanks to the other members of the fish committee.

For the years of 2008, 2009 and so far in 2010 with the help of generous donations from the people of the lake and the board we have bought over \$16,000 in fish. Money generated from the purchase of required ice fishing permits added \$750 to the fish fund.

COMMUNITY CENTER UPDATES

Pancake Breakfast – the 8th annual pancake breakfast was another big success, serving 360 people. Thank you to everyone who attended and to the many volunteers who helped during the breakfast. We would especially like to thank the individuals and businesses who graciously donated to defray the expenses associated with putting the breakfast on.

As a result of the generous donations, all expenses were covered in full and the Community Center received \$1,914.01, which will be used toward some finishing touches on the building.

HOLIDAY LAKE APPAREL ‘N MORE – is an on-going fund raiser for the community center, you can purchase apparel at the office or we can take pre-paid special orders.

Remember, the Community Center is always available on NON-RESERVED weekdays (Monday thru Thursday) for your use. Just go to the office and check out a key.

The Community Center is available for rent year around, with reservations made up to one year in advance. All reservations are on a first come basis. Deposits are required and will be returned after the event, upon returning the center to its original condition.

The Community Center is asking for your help. We are looking for some ideas for future fundraisers and artwork designs for next year’s apparel.

The Community Center has hosted many events so far. However, we still need your donations so that we can take care of some finishing touches including installing handicap handrails and diaper changing stations in each of the restrooms. If you have already made a donation, we thank you. But, maybe you would be interested in adding to your current donation to advance you to the next level. Any amount would be greatly appreciated.

Please extend your gratitude to the following persons who served on the nominating committee:

Ron and Bev Crooks (Unit 1); Jim Mellecker (Unit 2); Bill Jensen (Unit 3); Holly Losh (Unit 4); Denny Salmon (Unit 5); and Carey Krull (Unit 6).

Rural Improvement Zone (RIZ):

The RIZ committee consists of five trustees whose responsibility is to provide over site of the monies generated from property taxes dispersed back to us from the county. These monies will compensate us for work already completed on lake erosion and spillway improvements. Those trustees are: Mark Baugh –Clerk, Rick Happe – Treasurer and Secretary, Marvin Herman – President, Robert Hunt and Herb Richards

Silt Committee:

Charles Aiels, Bruce Bauer, Mark Baugh, Larry Ehrig, Arlen Faas, Jim Hamilton, Rick Happe, Marvin Herman, Robert Hunt, Herb Richards, Connie Roepke, Duane Selken, Harold Vokoun, Mary Welch.

Meetings are held on the first Saturday of each month starting in May through August, 9:30 a.m. at the Holiday Lake Office. Every lot owner is welcome to attend.

Water Quality Committee:

Connie Sjerven-Chairperson (641) 522-2300, Kim Pendarvis-Secretary, Dan Hanover, Becky Kauffman, John Kupka, Larry Pendarvis, Don VanVoorhis and Bill Vileta.

We test the water at 9:00 a.m. the 4th Tuesday of the month and meet at 9 a.m. on the last Saturday of the month at 5280 Buena Vista Dr. The lake is tested for levels of chloride, oxygen, phosphates, nitrite, nitrates, PH and bacteria.

The first test of the year in April showed a elevated level of chloride in Ford's Cove only, but after calls to both Iowater and the DNR, it was determined that this was probably due to run-off of salt from the road. After a good rain, the level was back to normal.

Everyone is also aware of high levels of bacteria the weeks before and after the 4th of July. This was a statewide event, probably due to the high levels of rain and run-off. The DNR was called in to test and by the time we tested again July 16th, we were back to a normal level. This was e. coli which is from either animal or human fecal matter. We do not recommend swimming in the lake when bacteria levels are at a certain level, especially if you have an open sore. For that reason the Holiday Lake Board of Directors has decided to fly a yellow warning flag at each of the boat docks whenever the bacteria levels are higher than the State's norm. This flag is meant as a warning to lot owners that swimming and other water activities are not advised and are done at a person's own risk.

We want to thank all of our lot owners for paying attention to changes in the lake. We've gotten several calls to come and check out abnormal events including weird colors and growth. Please continue to use phosphate free and lake friendly chemicals for fertilizers as well as washing out boats and wells before entering the lake. This will prevent contamination. Together we will keep our lake healthy not only to protect ourselves as we use the lake but to protect our property values now and in the future.

The last meeting of the season was held on Saturday, October 16, 2010, anyone interested in being on the committee contact Connie Sjerven.

Next year we are planning on having the Annual Poker Run on July 23rd with pre-registration beginning June 1st and “day of” registration from noon-3pm on the 23rd. Anyone not registered by 3pm will not be able to participate in the card drawing portion of the Poker Run. We want to make sure everyone gets the chance to join but do not want everyone waiting around for the fun to begin. We will plan on the Poker Run leaving the registration area by 4pm sharp.

We hope to keep the fun rolling this year with some new ideas and a more organized event. The Prusha's have done an excellent job in the past given all the hectic work and chaos that comes with it. On top of that, the proceeds raised to fund the fish fund. We would like to continue to raise more and more each year for the fish fund. All of this requires the help and donations of the greatly appreciated participants. We are also looking for the traditional 6 hosts' for stops on the poker run. Traditionally, it was 1 stop per unit. We are open to new ideas and new people/stops. We are not against more than one stop per unit but it would be preferred. We also are in need of volunteers to help out with the poker run registering, stops and events following the poker run. Anyone interested in being a host or volunteer, please contact Jason Parizek at (319) 202-3278 or Amber Parizek at (319) 241-1589. The sooner we get everything

together the better. And as soon as we do have our host stops, we would like to get those people as well as the volunteers together for a meeting to discuss some of our ideas and plans for the 2011 Poker Run. Also, feel free to contact us with any ideas you would like to propose we use.

In addition to raising money for the fish fund, we would like to get a few teams together for a slow pitch softball tournament or two or three throughout the Summer months to raise money to do some upgrading to the baseball diamond. We think it would look better and get more use by adding dirt, limestone and some new bases to the ball diamond. Please contact us if you would like to participate in such an event.

We hope everyone has a safe and warm winter and cannot wait to see everyone next summer!
